

Papers published by Dr. Rameshwar Gutte

- * [Unknown: Multiple asymptomatic skin colored to yellowish papules over vulva](#)
- * [Unilateral Multiple Facial Angiofibromas: A Case Report with Brief Review of Literature](#)
- * [Trichorrhexis Nodosa with Nail Dystrophy: Diagnosis by Dermoscopy](#)
- * [Targetoid hemosiderotic hemangioma](#)
- * [A case-control study of 25-hydroxyvitamin D deficiency in psoriasis patients](#)
- * [study-palmoplantar](#)
- * [SkIndia Quiz 12 A firm yellowish nodule over lip](#)
- * [Alveolar rhabdomyosarcoma arising in a giant congenital melanocytic nevus in an adult – case report with review of literature](#)
- * [Pseudolymphomatous Folliculitis: A Distinctive Cutaneous Lymphoid Hyperplasia](#)
- * [Progressive cribriform and zosteriform hyperpigmentation](#)
- * [perforating-lichen](#)
- * [Isolated unilateral palisaded neutrophilic and granulomatous dermatitis](#)
- * [Isolated annular lichen planus of lower lip](#)
- * [Kaposi sarcoma: A presenting manifestation of HIV infection in an Indian](#)
- * [Granulomatous mycosis fungoides with hypohidrosis mimicking lepromatous leprosy](#)
- * [Granuloma annulare on the palms: A clinicopathological study of seven cases](#)
- * [Fibroepithelioma of Pinkus: A distinctive variant of trichoblastic carcinoma](#)
- * [Disseminated molluscum contagiosum infection in a hyper IgE syndrome](#)
- * [Curious Translucent Papules Over Vitiliginous Patches](#)
- * [Carbamazepine induced severe cutaneous vasculitis](#)
- * [Bullous scabies in an adult: A case report with review of literature](#)
- * [Behcet's disease simulating secondary syphilis in an HIV-infected patient](#)
- * [Adult Onset Atopic Dermatitis with Secondary Follicular Mucinosis with Cyclosporine](#)
- * [Induced Spiny Follicular Hyperkeratosis and Hair Casts](#)
- * [Acrosyringial lichen planus of palm](#)
- * [Angiolymphoid Hyperplasia with Eosinophilia with Follicular Mucinosis](#)
- * [Angiokeratoma of Fordyce is a benign skin lesion of dilated capillaries \(small blood vessels\), resulting in growths of red to blue color on scrotum or vulva.](#)
- * [Pseudolymphomatous Folliculitis: A Distinctive Cutaneous Lymphoid Hyperplasia – A Case was published in Indian Journal of Dermatology](#)
- * [Article on “Itchy black hair bristles on back” by Dr Rameshwar Gutte published in Indian Dermatology Online Journal \(a pubmed indexed journal\) as a quiz case.](#)
- * [Article by Dr Rameshwar Gutte published in Indian Dermatology Online Journal: a pubmed indexed journal as a quiz case](#)
- * [Asymptomatic cerebriform papules and nodules over left buttock](#)
- * [Granulomatous and eccrinotropic lymphomatoid papulosis](#)
- * [Asymptomatic nodule over the shin](#)
- * [Childhood granulomatous periorificial dermatitis in children with extra-facial involvement](#)
- * [Cutaneous larva migrans \(creeping eruption\)](#)
- * [Extragenital unilateral lichen sclerosus et atrophicus in a child : a case report \(Egyptian Dermatology Online Journal\)](#)
- * [Extralesional vitiligo over knee following halo nevus with poliosis on the scalp](#)
- * [Isolated unilateral erythema elevatum diutinum : a case report \(Egyptian Dermatology Online Journal\)](#)

- * Asymptomatic sessile skin colored nodule over columella of nose
- * Multiple recurrent erythematous scaly annular plaques in a child
- * Liquid proteinosis: Histopathological characterization of early papulovesicular lesions
- * Pityriasis rosea: two cases with uncommon presentations of common disease
- * Sebaceous carcinoma of scalp with proliferating trichilemmal cyst
